Everything is here, because God is great and powerful, but His greatness and power are displayed in loving us, we who are so little, so incapable.. ' Windows 1 0 S Doesn't Appear to Be as Invulnerable to Ransomware as Microsoft Claims.. S operating system has been weighed, measured, and found wanting In a report published Friday by ZDNet, Hacker House security researcher Matthew Hickey reportedly broke through the operating system's security in a little over three hours..
